Tammy Smith

Casting

Movie:

“Instant Family” - A Paramount Studios film, starring Mark Wahlberg and Rose Byrne.
Directed by Sean Anders (Daddy’s Home (1 & 2) , Horrible Bosses 2, We’re the Millers)

Casting Info:

This movie revolves around a couple who adopt 3 foster siblings, and become an instant family! The story is based on the director’s family, as he and his wife adopted 3 foster siblings in real life! It is very important to him, that in various scenes in the film, that we have some REAL ADOPTIVE FOSTER FAMILIES as extras (during the court scenes, group counseling scenes, etc...). It’s a drama with some heartfelt humor mixed in, as this family is formed, with all the trials and tribulations that come with becoming an instant family! The studio is also planning on having some real families featured when the credits roll on the film, as well as possibly being interviewed for the “behind the scenes” filming for when the movie is released. Please note this opportunity is only for people who adopted thru fostering.
